Joshua knows God will do amazing things because \_\_\_\_\_!

We should get to know God's promises in the \_\_\_\_\_.

**Everyone is a theologian it's just a matter of whether  
you'll be a \_\_\_\_\_ or a \_\_\_\_\_!**

2 Peter 1:2-4

Through God's \_\_\_\_\_ we can participate in the \_\_\_\_\_ nature.

**We have \_\_\_\_\_ we need for life and godliness through \_\_\_\_\_ of Him.**

***BIBLE READING TIPS:***

1. I need to \_\_\_\_\_ for learning God's word and not wait for time to free up.
2. I need to ask "What does \_\_\_\_\_ by this?" and not "What do \_\_\_\_\_ it means?"
3. I need to train myself to \_\_\_\_\_ instead of \_\_\_\_\_ myself be distracted.
4. I need to \_\_\_\_\_ on and contemplate scripture instead of letting the words get away without \_\_\_\_\_.
5. I need to \_\_\_\_\_ the \_\_\_\_\_ of God's words instead of cherry picking cliché phrases.
6. I need to know the difference between \_\_\_\_\_, \_\_\_\_\_, and lessons.

*How can I tell the difference?*

If I have \_\_\_\_\_ to study the verse in \_\_\_\_\_, and have **focused** and **meditated** on **what God meant** and not what I want it to mean – then, most of the time it becomes pretty \_\_\_\_\_.
