Demon \_\_\_\_\_ does occur

Demons \_\_\_\_\_ cause sickness, \_\_\_\_\_ sickness is not \_\_\_\_\_ from demons

**Satan is our enemy \_\_\_\_\_ to harm us** (1 Peter 5:8-9)

Demons are \_\_\_\_\_ of Jesus (he created them as angels) and have to \_\_\_\_\_ Jesus, but this does not mean anyone can use the name of Jesus.

Demons are aware of \_\_\_\_\_ activity including some people's relationship with Jesus and some demons are probably aware of \_\_\_\_\_.

**Satan is our \_\_\_\_\_ and, like an evil lawyer, stands and argues**  
**\_\_\_\_\_ in God's presence.** (Revelation 12:10)

***What should I do about the fact Demons and Satan are real?***

**(A) I should \_\_\_\_\_ not Demons.**

**(B) I should hold the name of Jesus \_\_\_\_\_.**

**(C) I should \_\_\_\_\_ my evil \_\_\_\_\_.**

**(D) I should get rid of \_\_\_\_\_ that might invite evil influence into \_\_\_\_\_.**
