Joseph had a dream from God, and the result was his brothers plotting to \_\_\_\_\_ and being sold into \_\_\_\_\_.

Joseph \_\_\_\_\_ hard and was very successful in Potiphar's house. He refused to commit adultery, and the result was being accused \_\_\_\_\_ and thrown into \_\_\_\_\_.

Joseph builds a good \_\_\_\_\_ in prison, and is placed in charge. He even helps fellow prisoners interpret their dreams \_\_\_\_\_, and the result is that he is \_\_\_\_\_ for years by the people whom he helped.

**God will never \_\_\_\_\_ me or \_\_\_\_\_ me, and it was true for Joseph too.**

Joseph is brought into Pharaoh's home and is in charge of \_\_\_\_\_!

**People failed Joseph, but he makes it clear that God did not \_\_\_\_\_. God had a plan to do \_\_\_\_\_ things through Joseph (like saving the world, for instance), and reunited Joseph with his family!**

*Mistake #1: Believing or feeling like \_\_\_\_\_ is strange and uncommon.*

Reality: The truth is, bad things happen and it's \_\_\_\_\_ that counts.

*Mistake #2: \_\_\_\_\_ on doing good.*

Reality: Giving up \_\_\_\_\_ away the blessings that God wants to bring and accomplish through us.

*Mistake #3: Caving to sin when nobody is \_\_\_\_\_, or because it's \_\_\_\_\_.*

Reality: God is always watching and there are almost always \_\_\_\_\_.

**No matter what happens to us, God sees it and \_\_\_\_\_ it! I shouldn't worry about what people will do \_\_\_\_\_, but what God sees me do.**

- Truth #1: God has not and will not \_\_\_\_\_ about me or abandon me, so I must believe that "the game \_\_\_\_\_ yet."
- Truth #2: God saw my \_\_\_\_\_ times coming, has a plan, and if I \_\_\_\_\_ he will do great things.
- Truth #3: Doing good in response to evil results in \_\_\_\_\_.
