God has spoken to people through signs before, and he may \_\_\_\_\_ a sign.

We'll remember how to handle signs, with the acronym \_\_\_\_\_.

**"S"** for \_\_\_\_\_. Signs are \_\_\_\_\_ and not always \_\_\_\_\_, so approach this with caution.

**"I"** for \_\_\_\_\_. How we \_\_\_\_\_ signs is crucial, and I need help.

I shouldn't interpret \_\_\_\_\_; I'll include my wise, Jesus loving, God fearing \_\_\_\_\_.

If I get \_\_\_\_\_ from God, it's not a "yes" or "no" from God. It's just no sign.

**"G"** for \_\_\_\_\_ like **Gideon**.

Gideon doesn't doubt God, but he wants a sign to know he's really dealing \_\_\_\_\_ and not a fake, but his motives are good.

We know Gideon's motives were good because he responded with worship \_\_\_\_\_, even though it may have cost him his life.

If my motives aren't right, or I don't believe in the word of God, there is \_\_\_\_\_ that could \_\_\_\_\_ to do what God wants me to do.

**"N"** for \_\_\_\_\_. I cannot neglect or ignore the other ways God \_\_\_\_\_ spoke.

I shouldn't neglect the biggest sign of all: \_\_\_\_\_. \_\_\_\_\_ and sacrifice for me, the way he lived teaches me, the words he shared, and everything about his life informs me of what God wants.

**"S"** for Satanic. \_\_\_\_\_, \_\_\_\_\_, etc are fake, demonic, or satanic and are not signs.

**Take it home:** I will look to Jesus, God's word, wisdom and jerk-friends as \_\_\_\_\_.

I'll also \_\_\_\_\_ the SIGNS acronym to help understand signs better.
