By: Pastor Jeff Piepho Date: 9-23-18

Am I bringing _____ or _____? If I want to bring calm, _____?

The walls of Jerusalem were broken down. This deeply affected Nehemiah _____, mentally, and Spiritually. This was a major problem for God's people, their land, and the Temple.

Nehemiah _____ with God (he prayed), including _____. Then he _____ for help.

Nehemiah took the _____ by asking the King for help and time off. It's where he was, and he used the resources he had available to him.

I'll work _____, but God works _____.

After Nehemiah surveyed the town he _____ the people with God, then they did the _____ and began to work on the wall.

When facing enemies, Nehemiah _____ first then he took the _____.

When his own people turn on him, Nehemiah _____ them back to God, then they all get back to work, on the _____.

Practical Application:

- Nehemiah _____ enough to know how to pray, and what he could trust God for. I have to know God's words (the Bible) well, so I know how to connect with him, and what to expect from him.

- Nehemiah knew where _____ began, and his ended. I need to recognize the difference between what I can do, and what I need God to do.

- Nehemiah kept his head _____ on the right things, instead of _____ about the wrong things. I need to, as well.
