Relies on _____ apart from the Christian worldview.	Always looks for _____ and logic.
Strong scientism is _____ and random.	A robust, ordered, and beautiful worldview.
Scientism misses the entire non-physical world.	Understands that the non-physical world can be _____ and _____.

I should question what our culture has said about \_\_\_\_\_ and how unsure religion is. Christian philosophy, and ethics are based on facts and morals can be certain. Science is great! But that doesn't mean it's \_\_\_\_\_. Science and religion aren't opposed to each other, they \_\_\_\_\_ truth.
