Everyone who wants to live a \_\_\_\_\_  
in Christ Jesus **will be** \_\_\_\_\_.

*I should \_\_\_\_\_ to suffer for Jesus, if I'm a real Christian.*

**Practical Application, When Persecuted:**

I should recommitment myself to the Lord and \_\_\_\_\_ to do good.

Be as \_\_\_\_\_ as possible and peaceful always, living quiet lives. Our goal is not to overreact or be CrAzY rEbElS but to simply obey the Lord

\_\_\_\_\_.

Pray for those in government and other leaders and those around us so that they'll " \_\_\_\_\_ " to lead quiet and peaceful lives.

Believe in and remind ourselves of the \_\_\_\_\_ because that's where our real \_\_\_\_\_ lies. Not "heaven" and certainly not having our "best life now" but in rising with Christ at his return.
