Sometimes my plans \_\_\_\_\_.

When we "commit" our plans to God, we \_\_\_\_\_ them into his authority. \_\_\_\_\_ is in control.

Committing a plan to God implies \_\_\_\_\_.

**HOW I'LL HANDLE MY PLAN:**

**I'm going to \_\_\_\_\_ it...**  
**...and trust God \_\_\_\_\_ it.**

"Your plan" in Hebrew means "your \_\_\_\_\_ and \_\_\_\_\_ for that plan."

**Revolution Translation of Prov 16:3**

**If you fully \_\_\_\_\_ your goals to God then your  
\_\_\_\_\_ thoughts and intentions will be successful.**

**Lessons to Learn:**

- I must be willing to \_\_\_\_\_, listen while I pray, and find the right thing to do in any circumstance instead of just telling God what \_\_\_\_\_.
- I must be willing to trust God implicitly without \_\_\_\_\_ on my part.
- I must be \_\_\_\_\_ my plans/\_\_\_\_\_ if God's plan has a different path.
- I must be willing to \_\_\_\_\_ my \_\_\_\_\_, and intentions as God leads

**Success means you successfully \_\_\_\_\_ your plans and/or your intentions to  
\_\_\_\_\_ with what God \_\_\_\_\_ accomplish.**

**Proverbs 16:3 is about God changing \_\_\_\_\_,  
so my plan is a successful \_\_\_\_\_ plan.**
