**Sermon: Be an Orange**

**Bible Verses: John 17:14-19**

When Jesus says we are not “of the world” he means that the things this world has to offer hold no \_\_\_\_\_ for us.

One part of hypocrisy is when we claim something has no \_\_\_\_\_ in our economy, but then we act like it has \_\_\_\_\_!

We value things differently, so we should \_\_\_\_\_ like we value things the same way the rest of the world does!

To become less of a hypocrite or more of a Christ follower, we must get to know God’s \_\_\_\_\_ (the \_\_\_\_\_).

*When we love the word of God, something changes inside us because the \_\_\_\_\_ gets \_\_\_\_\_ us.*

When we say “don’t be a hypocrite” we are not saying, “MAKE LOTS OF \_\_\_\_\_.” We are saying, decide what has \_\_\_\_\_ in your life by reading God’s word, and let God’s word change your life from the inside out.

We should be very different than the world, but not because of a stuck up \_\_\_\_\_ standard. We should be different because God’s word has helped us to \_\_\_\_\_ things differently.

## **CONCLUSION**

**A. Point 1: the world needs oranges**

**(people changed by God’s \_\_\_\_\_ from the inside out)**

**B. Point 2: the world does not need more \_\_\_\_\_ apples**

**(religion or non-Christ followers)**

**C. Conclusion: To be a true follower of Jesus, we shouldn’t *only* follow while in**

**\_\_\_\_\_. We must \_\_\_\_\_, so our 9-5 lives, Monday through Friday will be Jesus focused as well.**
