Mark 10:42-45

**Jesus talks about "being great" by saying "\_\_\_\_\_." He suggests that leaders should not be all about having authority, but instead have genuine \_\_\_\_\_/concern for people.**

Godly leadership will usually have \_\_\_\_\_.

Failed leadership is when we \_\_\_\_\_ in the face of problems.

Godly leadership comes from \_\_\_\_\_.

Failed leadership has \_\_\_\_\_ motives, or teaches \_\_\_\_\_.

Godly leadership seeks \_\_\_\_\_ from God and not people.

Failure in leadership is when we seek approval from \_\_\_\_\_ rather than God.

True leaders have the authority from God to be a \_\_\_\_\_ to others.

True leaders have the authority from God to be a \_\_\_\_\_ to others.

\_\_\_\_\_, godly leaders choose to be \_\_\_\_\_ when possible, and desire to not be a burden.

Godly leaders don't just \_\_\_\_\_ information down people's throats, but share their \_\_\_\_\_ as friends.

Failed leadership \_\_\_\_\_ from everyone else.
