Question: How \_\_\_\_\_ is God to \_\_\_\_\_?

God is in the heavens; the \_\_\_\_\_ realm!

God is in the "depths"; in Hebrew the word *Sheol* and it means \_\_\_\_\_, \_\_\_\_\_, or the grave.

No matter where I go \_\_\_\_\_, God is there.

Whether it's day or \_\_\_\_\_, whether I'm doing well or steeped \_\_\_\_\_ and refusing to acknowledge God - he is still \_\_\_\_\_.

**God's presence** \_\_\_\_\_.

Question: Why do we sometimes feel like God is \_\_\_\_\_?

- God is \_\_\_\_\_ than we are.

- Primarily, God is very different because he is so \_\_\_\_\_ and perfect. We are \_\_\_\_\_.

**To have fellowship with God we don't need Him to be "closer" we need a \_\_\_\_\_.**

John 3:19-21

One major thing that keeps me from knowing God more: fear that my \_\_\_\_\_ will be exposed.

1 John 1:5-7

To have \_\_\_\_\_ God (and fellow Christians) we have to "step into the light"; that is we must desire God and \_\_\_\_\_ as he would want us to. Our \_\_\_\_\_ must be changing to be more like him.

**I must learn to \_\_\_\_\_, to become more like him daily. That is \_\_\_\_\_ I will experience his presence.**
