We don't _____ we want. Sometimes _____
_____ things that we love.

_____ next when we lose what we want, when we suffer,
when our expectations aren't met?

The disciples didn't get what they wanted. Jesus _____. Their hopes, gone.

**David, while living in a desert, running from his son who was trying to
kill him, says, "God's love _____."**

**Even when he loses everything, David will be _____
because _____!**

ONLY GOD IS ENOUGH to satisfy us when we're in _____... and _____.

The women followers of Jesus found an _____ tomb, and angels reminding them about Jesus'
prophecy about rising from the dead! God's ways were not what _____!

**Jesus dying and rising from the dead was _____ than an Earthly Kingdom,
because we have an eternal Kingdom! We didn't get an Earthly King who would lower taxes, we got
Jesus who died to pay for our sins, _____ us from guilt and shame, and forgiving
us no matter what we've done! It wasn't what the disciples "wanted" but it's what the whole world
needed!**
