Sermon: Do I have the Data?  
By: Jeff Piepho

Bible Verses: Proverbs 13:16  
Date: April 24, 2022

### Proverbs 13:16

Wise people think \_\_\_\_\_ they act;  
fools don't – and even \_\_\_\_\_ about their foolishness.  
(NLT)

#### Revolution Translation

Every \_\_\_\_\_ and sensible person takes actions based on \_\_\_\_\_.

**FACT #1: I must have the \_\_\_\_\_  
\_\_\_\_\_ to make wise decisions.**

*(Next week will be Fact #2)*

#### **Collecting the Right Data**

- 1) Data is gathered from \_\_\_\_\_ and good sources.
- 2) The right data comes from people who are \_\_\_\_\_  
\_\_\_\_\_ I'm dealing in, and not my friends or people who want me to feel good.
- 3) Collect data from people who aren't afraid to give you \_\_\_\_\_.
- 4) I must be a person who \_\_\_\_\_ the right data/advice.
- 5) To be able to assess the data and advice I need to pay attention to my own \_\_\_\_\_  
and recognize how I am \_\_\_\_\_ because I am usually not fair and balanced.

*Next week's question:*

*Do I have the \_\_\_\_\_ to carry out the decision I believe I should make?*
