FACT #1: I must have the right data to make wise decisions.

FACT #2: I must have the \_\_\_\_\_ to carry out my decisions.

FACT #3: I can have an awareness of God's spirit speaking, my intuition, and more.

**FACT #4: I \_\_\_\_\_ whether God would bless my plan or not.**

**The idea: God blesses things that (1) have the \_\_\_\_\_ and not the desires of the flesh and (2) things that glorify him.**

The Holy Spirit and my flesh (sinful side) are in \_\_\_\_\_ with each other, and desire different things.

I can't make decisions based on acts of my \_\_\_\_\_ and pretend like God will bless it.

**HAVE GOD'S BLESSING**

My decisions must be for \_\_\_\_\_. (1 Cor 10:31)

My decisions must be producing or from the \_\_\_\_\_. (Gal 5.)

**Practical:**

Having God's blessing is often a question of \_\_\_\_\_ instead of \_\_\_\_\_ decision to make.

It is \_\_\_\_\_ in our lives to produce what God wants from us. I cannot do it on my own.

**My main job: I must \_\_\_\_\_ with the Holy Spirit.**

When I am in step with the Holy Spirit, I don't even have to \_\_\_\_\_ following the law, or sinning because he leads me exactly where God wants me.
