I can be the person who scatters my wealth \_\_\_\_\_,  
and if I do, \_\_\_\_\_!

Scripture says that if I'm generous financially I'll \_\_\_\_\_ financially!!!

The Bible contains \_\_\_\_\_, things that we  
couldn't understand unless God revealed it to us.

Scripture says that if I'm blessing others financially, I will receive \_\_\_\_\_  
\_\_\_\_\_.

People will \_\_\_\_\_ if I am willing to help, but I will be cursed when I'm selfish.

### **Practical Application:**

I still need to \_\_\_\_\_ (from week 1) with passion!

I still need to \_\_\_\_\_ (a wise plan) and have  
self-control about my own spending (from week 2).

I \_\_\_\_\_ (Financial Peace University) which can help  
understand everything from budgets to home loans and investing.

*It begins, March 1st! I'll write "FPU" on my red card!*

When I make a budget, I \_\_\_\_\_ as a couple line items  
(like Church and missionaries) and build it into other areas (like a little extra food money).

*The principles God designed says that if I live like this, I'm going to have more money relatively  
soon. So, as God blesses me with more money, I should **be sure** to manage the new money I  
get with \_\_\_\_\_, or \_\_\_\_\_, this kind of generosity!!*
