Joy should not be determined by our \_\_\_\_\_.

Joy and \_\_\_\_\_ are not the same thing.

The word \_\_\_\_\_ is a call to joy.

Joy requires having a constant attitude of \_\_\_\_\_  
and a constant practice of \_\_\_\_\_.

Jesus says in order to have complete joy in him \_\_\_\_\_  
and \_\_\_\_\_ are required.

We should consider it pure joy when facing trials because those trials produce perseverance and with that, we become mature and \_\_\_\_\_, not lacking anything.

### **Practical Applications:**

\_\_\_\_\_ is a choice.

Where am I lacking Obedience? Thankfulness? Love? Prayer?  
In my life that could be hindering my ability to have joy?
