

Why do we prioritize _____ things over the _____ thing?

Adam and Eve began with true life and peace, but their _____ brought us all literal _____ and _____ from God.

The prophets _____ and studied to understand _____ and circumstances when the Messiah would save us from our sin and death.

Now, _____ the most important information in human history. The information that Angels and Prophets looked into: the story of _____ fixing our death and distance problem.

I need a priority check: do I treat the story of life and death, God plan to fix it, and my part in that story, as the _____ thing ever? Or do I _____ other things?

“The grace to come to me” when Jesus returns, will come in _____, but it’s already _____!

Where’s my focus? If I’m distracted, **I’ll miss what God is doing** when he brings me closer!

The endgame is for me _____, like God himself!

To be holy means to be _____ from the rest of the world and _____.

I cannot lose focus on this!

Practical Focus and Holiness:

My _____ will help me stayed focused on what’s important.

We will help make each other _____. We should challenge each other and push each other to be Holy, with love.

I need to find other ways to focus on the important, and be accountable to it: like “EverAccountable.com” for porn, _____ in the Church, changing friendships, and practicing confessing and asking for accountability.

If I need to know how to _____ the Bible I can go to:
