

## Sermon: Palm Sunday Tsunami

By: Jeff Piepho

Bible Verses: Luke 19:28-40

Fighting God is a \_\_\_\_\_ battle.

Jesus entered Jerusalem on a foal donkey to fulfill the \_\_\_\_\_ in Zechariah 9 about the King \_\_\_\_\_.

The people waved \_\_\_\_\_ near Jesus, celebrating God's desire to save them.

When Jesus entered many people were \_\_\_\_\_, which is about the coming Messiah. They knew he was the Messiah!

The Pharisees desperately wanted to stop people from \_\_\_\_\_ Jesus. In their view, it was blasphemy and \_\_\_\_\_!

**You cannot stop the fact that \_\_\_\_\_ honored and worshipped.**

**It's like a \_\_\_\_\_.**

**It cannot be stopped; Jesus will be praised and worshipped by \_\_\_\_\_ and creation.**

### Three reactions to Jesus:

1. Jesus's followers worshiped him \_\_\_\_\_ and were \_\_\_\_\_ for him to arrive!
2. The Pharisees \_\_\_\_\_ Jesus and tried to stop or \_\_\_\_\_ him.
3. The rest of the world was \_\_\_\_\_ or \_\_\_\_\_.

Reality check: *I spend too much time oblivious to \_\_\_\_\_ that Jesus is returning! Or at least, I'm not \_\_\_\_\_ with the reality of the situation.*

### Practical Application:

- At the very least, I must be a \_\_\_\_\_, following Jesus Christ to be ready.
- I should consider where my life is aimed: towards my \_\_\_\_\_ goals or the \_\_\_\_\_ of God?
- Perhaps I should look into doing \_\_\_\_\_ or going into the ministry.

- I can do \_\_\_\_\_, or in my neighborhood, right now! Read the book "How to Talk to People About Jesus *Without Being THAT Guy*".
- I should absolutely be serving at my Church. The kids here need me, or the teens, or many many adults coming to learn about Jesus. I have many different abilities. Some of them are:

Most teams can utilize my gifts. I can find serving information at [www.revo.church/serve](http://www.revo.church/serve).
