Bible Verses: Mark 9:14-29

**Main idea today: The disciples of Jesus took the _____
for granted. If I want to see God do amazing – even miraculously things – in my life I cannot
take the _____ for granted.**

When the crowds saw Jesus they were _____ and in awe that
he was right there with them.

The disciples and the teachers of the law saw Jesus, they were _____
_____ about a little boy and a demon they couldn't drive out of him. They took
Jesus' presence for granted.

IMPORTANT: *The Biblical definition of faith is being SURE of something and CONVINCED of something. To have
that usually includes _____ and good _____.*

Jesus calls everyone there an “unbelieving generation” – literally a _____.

The boy's Dad asked Jesus to heal by saying, “If you can...” Jesus responds by saying if he believes (*has faith*)
_____.

Jesus often first asks, “Do you believe (have faith)?” and after healing says, “_____ / your
confidence _____ has healed you.”

**The disciple's main problem (and the reason they couldn't drive the demon out) was that they
_____. They weren't working on behalf of Jesus,
truly. They were just “going about _____” assuming they
had the power. They took God's power for granted.**

Practical Applications:

I should make sure I'm not just “going through life” and _____.
He has ALL the power. And through prayer and belief God can do _____ events through me.

I should think about _____ I am that God wants to do whatever miraculous
thing I am hoping and praying for. If I lack faith *I should* _____ like the
man in Mark 9 (“I do believe; help me overcome my unbelief!”).
