**Big Idea:** I cannot control all of my \_\_\_\_\_,  
but I can control all of my \_\_\_\_\_.

**Character Trait 1:** \_\_\_\_\_. I can be like the disciples who obeyed when the Lord gave a command, no matter how awkward, complex, or \_\_\_\_\_ it seemed to be.

*God will ask me to do things I \_\_\_\_\_ at the time. But, when I obey in that little piece, and another little piece, and another... God is building a "recipe" in my life that will create something amazing. Similar to ingredients in \_\_\_\_\_. I wouldn't eat straight flour, butter, sugar, or salt – but together they create something amazing.*

**Character Trait 2:** \_\_\_\_\_. The donkey owner allowed the Lord to use his expensive and new animal, even when it was inconvenient and \_\_\_\_\_. He defaulted to generosity and service.

**Character Trait 3: Passionate** \_\_\_\_\_. I can be like the crowd who loudly praised Jesus as King.

**Character Trait 4:** \_\_\_\_\_. I can be like the crowd who loudly praised Jesus as God on Earth and the Messiah.

**Character Trait 5 (don't do this one): Cowardice, \_\_\_\_\_, and Low Loyalty.** I could end up like the followers of Jesus who were \_\_\_\_\_ when things got difficult.

*The biggest difference between Palm Sunday and the day of crucifixion was silence. \_\_\_\_\_ from those who shouted Jesus' praises on Sunday.*

**Practical Application:**

- *Absolute obedience* – Read one paragraph from \_\_\_\_\_ 5-7 each day, think about what it says and what it would look like in your life. Then do it - no matter how crazy and \_\_\_\_\_ it seems.

- *Giving and serving* – Visit [www.revo.church/serve](http://www.revo.church/serve) and \_\_\_\_\_ for a team. Take a crisp \$50 bill and buy a gift for someone who \_\_\_\_\_ it.

- *Passionate Worship* – Worship at home once per day. Put on a worship and \_\_\_\_\_ to Jesus because he is my King who deserves a triumphal entry into my home! Some worship songs we do here: *What an Awesome God* by Phil Wickham, *You've Already Won* by Shane & Shane, *Firm Foundation* by Cody Carnes, *Trust in God* by Elevation Worship, and *Take You at Your Word* by Cody Carnes.

- *Theological Knowledge* – Visit [www.revo.church/books](http://www.revo.church/books) and \_\_\_\_\_ today. Some simple suggestions: *More Than a Carpenter*, *Know What You Believe*, *The Pursuit of God*.
