### CHRISTIAN LIFE LESSONS

1. There are very few \_\_\_\_\_ this side of eternity  
(John 16:33) (Matthew 28:20)

2. The word risk implies the \_\_\_\_\_ of loss, failure, even death

3. The greatest rewards come to those \_\_\_\_\_ to take risks. The greater the risk,  
the greater the return.

4. These principles apply to individuals, \_\_\_\_\_, regions, and denominations.

5. Jesus took a risk with \_\_\_\_\_

Would you be willing to risk your job, your friend circle, your reputation to speak his name? How about risking your life?

**(Psalms 119:109 GNT) "I am always ready to risk my life; I have not forgotten your law."**
