The Jewish leadership already decided Jesus was guilty; they were just looking for evidence.

FOUND NOTHING

There was no evidence against Jesus. So, then the liars got up and made things up. But they couldn't even keep their lies about Jesus straight and they contradicted each other.

Jesus didn't answer his lying accusers just as the prophet Isaiah foretold (Isaiah 53:7).

The Sanhedrin condemned Jesus to death because he claimed to be God. They did not want their power taken away.

THE BOOK OF MARK: *Jesus is absolutely Lord of Heaven and Earth – and he claimed it. The very son of God, God on Earth, Messiah and Judge of the world.*

Practical Application: The Sanhedrin were offended by the truth. I cannot be offended by the truth, I must always be open to it and not closed off. My motives, feelings, or desires might cause me to see things in a distorted way. I should pray that God helps me know and accept reality.

Practical Application:

I should recognize Jesus as Lord, and that he will be coming back “on the clouds” and at the right hand of God with all power and authority. I will bow to him now, and serve him. If I'm not baptized, I'll do it. If I'm not pursuing him I'll do it
